

CREATIVE DRAMA IN THE EARLY CHILDHOOD CLASSROOM!

Kerfuffle can come to your school or daycare! Our Teaching Artists specialize in drama in the early childhood classroom and we are excited to offer creative drama, movement & yoga, and storytelling classes and workshops for preschool and Kindergarten classes.

Each classroom residency (ranging from 3-12 visits) is customizable based on your classroom's needs. Creative drama encourages children to use their bodies, voices, and imaginations. Kerfuffle's classroom residencies encourage kinesthetic exploration of themes or stories.
